

INTERCAP WEBINAR

The security discourse surrounding migration: Perceptions Vs Reality

17th March 2020 | 13.00-14.30 GMT
14.00-15.30 CET
15.00-16.30 EET

SPEAKERS:

Prof. Andrea Carteny

Ass. Prof. of History of International Relations, Director of CEMAS – Research Center “Cooperation with Eurasia, Mediterranean and Africa of Sub-Sahara, at the Sapienza University of Rome

Prof. Andrea Carteny holds a PhD in History of Europe at Sapienza University. He is skilled in National Identities and Symbols, Political Science, Analytical Skills, Lecturing, and International Relations. His fields of research include: Nationalism and Communism, Nationalism and transition to democracy, ethnic and civic nationalism, comparative regional nationalisms in Western and Eastern Europe.

He is research coordinator of the "5+5" Defence Initiative 2018 on Maritime Security Borders and Migrants.

Prof. Mauro Sarrica

Ass. Prof. of Social psychology and Peace psychology at Sapienza University of Rome.

Prof. Mauro Sarrica holds a PhD in Personality and Social Psychology. His main interests are in the social construction of knowledge, the stability and change of social beliefs, and in peace psychology. His studies focus mainly on how people interpret and co-construct social reality in order to face changes and new situations. From this perspective, he participated in and led national and cross-national research projects on the social representation of sustainable energy, long term effects of large infrastructure projects on local communities, Information and Communication Technologies for Development, the impact of the Internet on journalists' practices, social representations of peace and memory in new generations.
